Our advantages

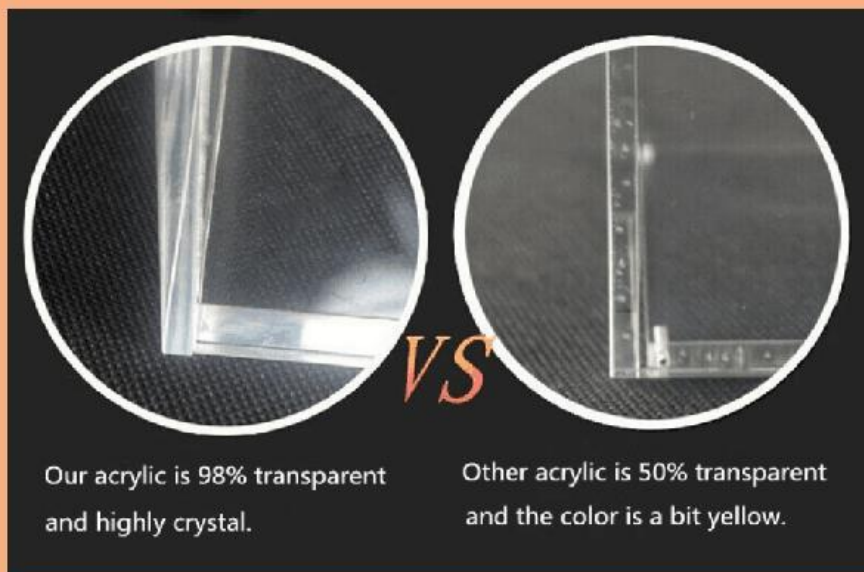

The image shows two circular inset photos side-by-side. The left inset shows a smooth, curved surface, likely a wheel or a ramp, with a white line. The right inset shows a rough, textured surface with a white line, and a hand is touching it. A yellow warning triangle icon is placed over the rough surface. The word "VS" is written in orange between the two insets.

VS

Our surface is smooth and will not hurt people.

Their surface is sharp and hurts people.

The image shows two circular inset photos side-by-side. The left inset shows a clear, transparent acrylic block. The right inset shows a yellowish, opaque acrylic block. The word "VS" is written in orange between the two insets.

VS

Our acrylic is 98% transparent and highly crystal.

Other acrylic is 50% transparent and the color is a bit yellow.
